

December Holiday Brunch December 13, 2022

Almost 40 ladies enjoyed the company, food, and the ambience of the Houston Mill House for this annual event. Members contributed to a delectable lunch with salads, side dishes, and mouthwatering desserts. Special guests were Vanessa Payne, CEO of Atlanta CASA, and her colleague, Richard Butler. Vanessa and Richard engaged the group with stories of CASA, the needs of children and teens, the recruitment of volunteers, and their personal commitment.
