Celebrating a Century of Service, Fellowship, Scholarship and Community
Since 1919

FROM YOUR PRESIDENTS

As our year draws to a close, we want to wish you all a wonderful summer. Thanks to all the wonderful women who participated in so many ways to ensure that our meetings and special events were beautiful, warm and well organized. The list of those who lent a hand is essentially our membership roster, so our thanks to every one of you.

We have our Spring Luncheon coming up, and what a perfect way to ask friends, family and neighbors to become members. This event is the culmination of the year, and we will celebrate a special woman whose contributions went above and beyond all expectation. We will also inaugurate next year's officers. It is a celebratory lunch. We hope to see you there.

We also will continue to have "Tuesday Tastings" during the summer, so keep your eye on your email for notices. These lunches are casual and easy going; another fun way to introduce friends to our club.

Amani Women Center News:

Earlier this year Amani had a graduation ceremony for the graduates of the Amani Sewing Academy (ASA). Two years ago Amani had a graduation ceremony and six of us from EUWC attended to see 3 women graduate from the Sewing Academy. Since then the Academy has grown and this year I was there to see 24 graduates! They received new sewing machines and opened the door for them for employment (jobs already awaiting them to work in sewing factories or at home and become more economically independent as well as important contributors to their family income.) The women graduates all wore native gowns from their countries they had made and said something to the group. Four EUWC members were recognized with Certificates of Appreciation—**Alma Owens, Bette Walton, Jackie Walker and Mary Emma McConaughy**. A delicious African lunch made by Reggie was served to the 100 plus attendees. Congratulations Amani graduates of the Sewing Center and Doris Mukangu (president of Amani) and Reggie Erawoc for orchestrating such a memorable event!

The Amani Sewing Center is open every Tuesday, Wednesday and Thursday 10-12:30 and needs volunteers. They currently need ESL teachers that can teach conversational English after sewing class. They have hired sewing teachers who can deal with the language barriers, but if you are interested in sewing and in helping these women on a regular or occasional basis, contact **Mary Emma McConaughy** maryemma.mcc@gmail.com or 404/377-1500.
