

## From Your President

Dear Emory Woman's Club Friends,

The end of the year is winding down. As we near the time of Thanksgiving it seems like a good occasion to give thanks for the fellowship we share, the commitment to one another as we forge along with virtual meetings and the hope that at some point we will be able to meet again in person at the Houston Mill House! It was a delight to welcome Carmel Fenves to our virtual October meeting. We are so glad to have her among us and let us all extend a very warm welcome to the Fenves family as they settle in at Lullwater.

I am grateful for all the years we have persevered through uncertain times and times of great celebration. I love to look back on years past but our future is what we need to concentrate on as the health of our club depends on new faces and new ideas for moving forward.

Our October speaker, Kevin Kell, was very encouraging and is willing to work with us on attracting Emory Alumni of all ages to the work we do for the good of Emory University. We have continued to offer social gatherings through our monthly meetings, interest groups and special events. We feature outstanding speakers monthly and support Emory and the larger community through Share the Care. And let us not forget the support we provide for our students through our three endowed scholarships!

Our November meeting will be a week early so as not to interfere with the Thanksgiving Holiday. Please mark your calendars for Tuesday, November 17th and reference the announcement in this newsletter.

The zoom platform works well but we are still learning to navigate the nuances. When accessing the meeting please use the link imbedded in the upcoming announcement space.

I am grateful for all of you! Your talents compliment all we stand for as we move together for our common goals:

“To foster social life among its members,  
to promote the welfare of the student body,  
and to further the interests  
of the University in every way possible.”

All my best for a safe Thanksgiving,  
Cheryl

## **NOVEMBER MEETING: Important Timely Topic**

Our speaker on November 17 is Jared Feuer, COO of Moving Forward, a social change organization which focuses on improving police-community relations. In our modern world our police often don't know the community they serve and the community does not know them. The goal is to bring the police and citizens together to increase the well-being of everyone.

Among Jared's topics will be the unique initiative known as OneCOP developed to facilitate connections between law enforcement and the populations they serve. To accomplish this goal, Moving Forward builds bridges of understanding via initiatives developed by faith-based institutions and law enforcement agencies working together. In October during the National Faith and Blue Weekend, over 650 events were held across the nation.

This meeting is a great opportunity to invite friends from your house of worship to join you for our meeting. We also ask you to send us the names and emails of members of law enforcement and faith-based communities who you recommend we invite to attend this meeting. We will send them the link to join us.

We look forward to seeing you (by camera, of course) on the 17th.

Judy, Terry, and Dee

## **2020 COVID ART SALE**

**NOVEMBER 6th to 16th  
10 am to 4 pm**

Dear Friends, at first we thought to cancel our Art Sale and Show this year, but some of you asked us to reconsider. Difficult times call for new solutions! In this time of a pandemic we would like to invite you to an Art Sale different from previous years.

We will be setting up separately. In Margaret's new art studio, there will be her photos and cards plus some of Nicole's jewelry. In Nicole's home, she will sell mostly her jewelry and some of Margaret's cards.

Appointments for one person at a time (or 2 of the same household) are necessary. Masks will be required and social distancing as well. Sanitizer will be supplied at the door. Payments will be only by check.

Please call Margaret or Nicole to arrange an appointment between November 6<sup>th</sup> and 16<sup>th</sup> and between 10 am and 4 pm.

The AWC Boutique is now open Saturdays 11:00-6:00. People keep calling asking if they can visit and learn more about AWC. And they can use the income from sales especially now. They are doing all sorts of sanitizing, requiring that masks be worn and limiting the number of people in the Boutique to a couple/few at a time. Also, Guardian Life Insurance was so pleased with their first order of 500 masks that they placed another big order. It is good that people recognize a well made product for a reasonable price and such a worthwhile organization!

**EUWC is now registered with AmazonSmile.** This is an easy way to support the club. Just designate "Emory University Woman's Club" as the charity you wish to support. Then .5% of the price of eligible items you purchase at <https://smile.amazon.com> will flow into our bank account.
