## Letter From the President

Dear Friends,

First, in this season of counting our blessings, please let me restate how much EUWC means to all of us. I hope that you and your loved ones are sharing these same sentiments and are able to express them while together.

Michael Rooks, of the High Museum, spoke to us this month. His knowledge, experience, and continued passion for modern/contemporary art shone brightly as he shared examples and answered our many questions.

GREAT NEWS: Nadine Kaslow, from the Rollins School of Public Health and director of the Nia Project at Grady Hospital, will be our guest speaker in January!!! You will remember that she had to cancel speaking in October due to her residency in China. Now she's home, and our January speaker has not communicated with us since the spring. So I notified her of being cancelled and, with fingers crossed, contacted Dr. Kaslow, who immediately replied that she will be happy to present. Also, we will make our Share the Care donations to the NIA Project in January. More about that from Jackie Walker.

We all look forward to a lovely Holiday Luncheon in just a few weeks. Patty Higgins will say more in this newsletter but please remember to reply to the invitation NO LATER THAN NOVEMBER 30<sup>TH</sup>. You must reply to attend.

Big hugs to each of you at the beginning of this busy holiday season,

*Teri Hopkin*

## **In Memoriam**

We are sorry to share the news that Sara June McDavid passed away on November 15 after a long battle with cancer. Sara June joined EUWC in 2024 and was one of our newer members.

A celebration of her life will be held at a later date. To honor her memory consider a donation to Furkids, the Atlanta Humane Society, the Mercer University Library or a worthy organization of your choice.

## **Share the Care**

Since we are delighted that Dr. Nadine Kaslow will speak with us at our January meeting, we are adjusting our Share the Care for that month in order to support the Nia project. We will be helping the African American homeless and low income women who have made a suicide attempt in the last year. Such a worthwhile gift!
