Letter From the President

Dear Friends,

When do you remember an EUWC meeting being cancelled due to weather? Even though I wouldn't be there, I was surely sorry to have to make that choice. Atlanta seems to have dodged quite a big storm, and I'm hoping everyone thaws out quickly. It's too difficult to reschedule that meeting, so we'll just have to wait until February to be together again. All business planned for that meeting will be taken up at the next one.

We're heading into the home stretch for this year, and all but one Executive Board positions are filled, pending your approval. We will need to modify the duties of the Membership Vice President, I'm afraid. If you have any suggestions, please feel free to contact me.

I wish you all fair sailing into the coming weeks and look forward to being together again.

Hugs to each of you,

Teri Hopkin

Share the Care

Our Share the Care this month is **Snack in a Backpack**. Providing food for children helps them learn, improves their outlook and is generally so beneficial to them. This program puts together food bags for the children to take home on the weekends so that they do not have to do without nutrition. Such a worthwhile project. Should you wish to contribute, please bring your check to our February 24th meeting. You may also send it to Jackie Walker.

It is so unfortunate that the January meeting had to be cancelled because of weather. The Nia Project was the Share the Care. They work with African American women who have made a suicide attempt in the last year. Frequently they are the victims of domestic violence or homelessness. Should you like to contribute to this group who offer such a meaningful program, feel free to bring your check to the February meeting or send it to Jackie Walker.
